

STRUCTURED APPROACH TO STRATEGIC SOLUTIONS

ProSidian Consulting is a strategically integrated Management and Operations Consulting Services Firm focusing on providing value to clients through tailored solutions based on industry leading practices. ProSidian's services focus on the broad spectrum of Risk Management, Compliance, Business Process, IT Effectiveness, Energy & Sustainability, and Talent Management. We help forward thinking clients solve problems and improve operations.

Launched by former Big 4 Management Consultants; our multidisciplinary teams bring together the talents of nearly 190 professionals nationally to complete a wide variety of engagements for Private Companies, Fortune 1,000 Enterprises, and Government Agencies of all sizes. When you work with ProSidian, you have immediate and constant access to the full range of staff expertise that can seamlessly respond to complex project's needs.

Linking strategy to execution, ProSidian assists client leaders in maximizing company return on investment capital through design and execution of operations core to delivering value to customers. Our Services are deployed across the enterprise, target drivers of economic profit (growth, margin and efficiency), and are aligned at the intersections of assets, processes, policies and people delivering value.

We employ an on-demand business model—a flexible, results-driven approach anchored in industry best practices, tailored to your business needs that combines the subject matter expertise of Engagement Teams with the project management and quality oversight of our principals and practice leaders. ProSidian clients represent a broad spectrum of industries to include but are not limited to Energy, Manufacturing, Chemical, Retail, Healthcare, Telecommunications, Hospitality, Pharmaceuticals, Banking & Financial Services, Transportation, Federal and State Government Agencies. **Learn more at www.ProSidian.com**

CORE COMPETENCIES

DEEP SUBJECT-MATTER EXPERTISE & EXPERIENCE – committed to bringing unmatched expertise and leading-edge thinking to our clients. Our clients receive “experienced only resources” with multinational client exposure that can tailor solutions based on industry leading practices.

STRATEGIC RESOURCING & OPERATIONAL EFFICIENCY – our on-demand strategic resourcing fits client requirements & timelines and provides direct senior leadership involvement from start-to-finish. We take the unnecessary overhead out of our cost structure and focus on efficient use of strategic resources.

COST COMPETITIVE – our rates are lower than big 4 & national firms and our consultants bring a combined experience of over 30 years of management and operations experience spanning a broad spectrum of industries—including but not limited to — manufacturing, banking & financial services, consumer products & retail, energy & utilities, federal state, & local government agencies

PEOPLE-FOCUSED STRATEGY – value employee personal and professional development and support a consulting model that includes flexible travel and a “work from where you live” policy. The result is happier, healthier engagement teams that have greater focus, energy, and passion for their work - and that means happier clients.

EXPERIENCED ONLY RESOURCES – razor-sharp focus committed to maintaining the highest level of expertise where clients receive “experienced only resources” (both cleared & un-cleared) with multinational client exposure that can tailor solutions based on industry leading practices.

DIFFERENTIATORS

PERFORMANCE BORN OUT OF EXPERIENCE – a culture where team dynamics, entrepreneurial spirit, and respect for the individual form the cornerstone of advisory services.

EXPERIENCE AND RESPONSIVENESS – we value responsiveness to clients, provision of excellence with high levels of service, and upholding our values and ethical standards in all activities.

THE PROSIDIAN GSA MOBIS CONTRACT – the mandate to achieve more with less, improve performance and accountability, better manage change, and sustain superior value and outcomes supporting mission operations.

EXCELLENCE IN PERFORMANCE – we bring together talented and committed people with diverse perspectives -- people who can challenge one another’s thinking, people who collectively approach problems from multiple points of view to add value to our clients in the markets we serve.

THINKING "THE BOX OUTSIDE" – linking strategy to execution, we assist client leaders in maximizing company return on investment capital through design and execution of operations core to delivering value to customers.

UNDERSTANDING OF CHANGE DYNAMICS – We understand that even the most brilliant analysis and fact-driven recommendations can fail to drive change without real buy-in from those affected. We apply and stress change principles such with consistent communication, early stakeholder engagement, cross-functional collaboration and active listening throughout all phases of a client engagement.
